Jacquie – I'm following up on our phone call yesterday. I plan to attend the meeting with EPA and Illinois Railway on July 30 at 1:00 p.m. Jane Bohn will not be able to attend. If there are any materials that would help me prepare for the meeting, please forward them. Also, please let me know where the meeting will be held. Thanks.

Jacquie – thank you for sending the sample result. Is there a map or figure that show where the sample was taken?

I think yesterday's meeting was helpful, and we certainly will be talking more in the future.
